

Allseas Sponsor Aberdeen FC

With start of the new season nearly upon us Allseas Global Logistics have renewed their sponsorship with Aberdeen FC. As they almost made it to the final of the Scottish cup last year lets hope we can bring them some good luck for the next season.

In July 2008 Allseas Cargo have sponsored the match ball for the game against Manchester United at Pittodrie, this is to celebrate the "Gothenburg greats" 25th anniversary of winning the European Cup Winners Cup in 1983. For details of our corporate events please do not hesitate to contact us.
